Brasserie Lebbe • France (750ml)	15.00
<p>Pierre Lebbe fashions this organic beer in extremely small quantities from his goat cheese producing farm in the foothills of the Pyrenees. It shows a hazy yellow color with lots of rising bubbles and a light, foamy white head with a perfumed apricot aroma. Fruity apricot and peach flavors follow on the palate with crisp yeasty hops and some caramel. Dry hoppy finish. Great fruit, hop, yeast, and malt flavor balance.</p>
